

TechMart Electronics - Frequently Asked Questions (FAQ)

Q: What is TechMart Electronics?

A: TechMart Electronics is a leading consumer electronics company founded in 2018, specializing in smart home devices, audio equipment, and wearable technology.

Q: How do I contact customer support?

A: You can reach us 24/7 via this AI chat portal. For human representatives, call 1-800-TECH-MART (Monday-Friday, 9 AM - 6 PM IST) or email support@techmart.com.

Q: Do you offer live technical support?

A: Yes, if the AI assistant cannot resolve your technical issue, it will automatically escalate the chat to a live technical support agent.

Q: Where are your products manufactured?

A: Our products are designed in San Francisco, CA, and manufactured in certified facilities across Asia to ensure the highest quality standards.

Q: How do I delete my account and data?

A: Navigate to App Settings -> Privacy -> Delete Account. Please note this action is irreversible and will immediately cancel any active subscriptions.
